SESSION INFORMATION

Recruit and Onboard with Impact

Join Helen G. Sneed of Drive The Goal, LLC as she shares how to create an engaging onboarding experience that sparks enthusiasm, fosters long-term commitment, and builds a culture of growth from day one.

Motivating, Training, and Retaining

Dr. Lynn Johnson of Triumphant HR Solutions will guide you through practical strategies to motivate, train, and retain employees while building a strong, loyal, and high-performing team.

Can Your Employees Afford to Work for You?

In this interactive session, Carrie Kay of GH LABB, will explore real-world financial scenarios employees face and offer insight into the challenges that impact workforce stability and satisfaction.

Training Your Workforce: CSP Grants

Arthur Harris, Assistant Director of Business Services, will share how CareerSource Polk's training grants can help your business strengthen its workforce and expand employee skills.
